

Fishing Day June 21, 2025

We are so excited for you to join us for our Fishing Day on June 21, 2025.

Here are answers to some questions you may have about that day.

What ages can participate?

All ages are welcome. If you are over 16, please make sure you have your MD fishing license or you will not be able to fish.

Where do I get a MD fishing license?

Here is the link: <https://compass.dnr.maryland.gov/dnrcompassportal>

Will any gear be provided?

We will have a limited supply of fishing rods available for use, so please bring your own rod if possible. We will also be providing some bait while supplies last. Please bring any hooks or other gear you may need.

Will there be food?

We will be serving hot dogs free of charge.

What are the giveaways?

We will have drawings for gift cards, fishing rods, etc.

Do I need to be present to win the pre-register drawing?

Yes! The special drawing for pre-registration requires you to be there. If we call your name and you are not there, we will draw another name.

Can we keep the fish?

For this event we will be catching and releasing all fish.
